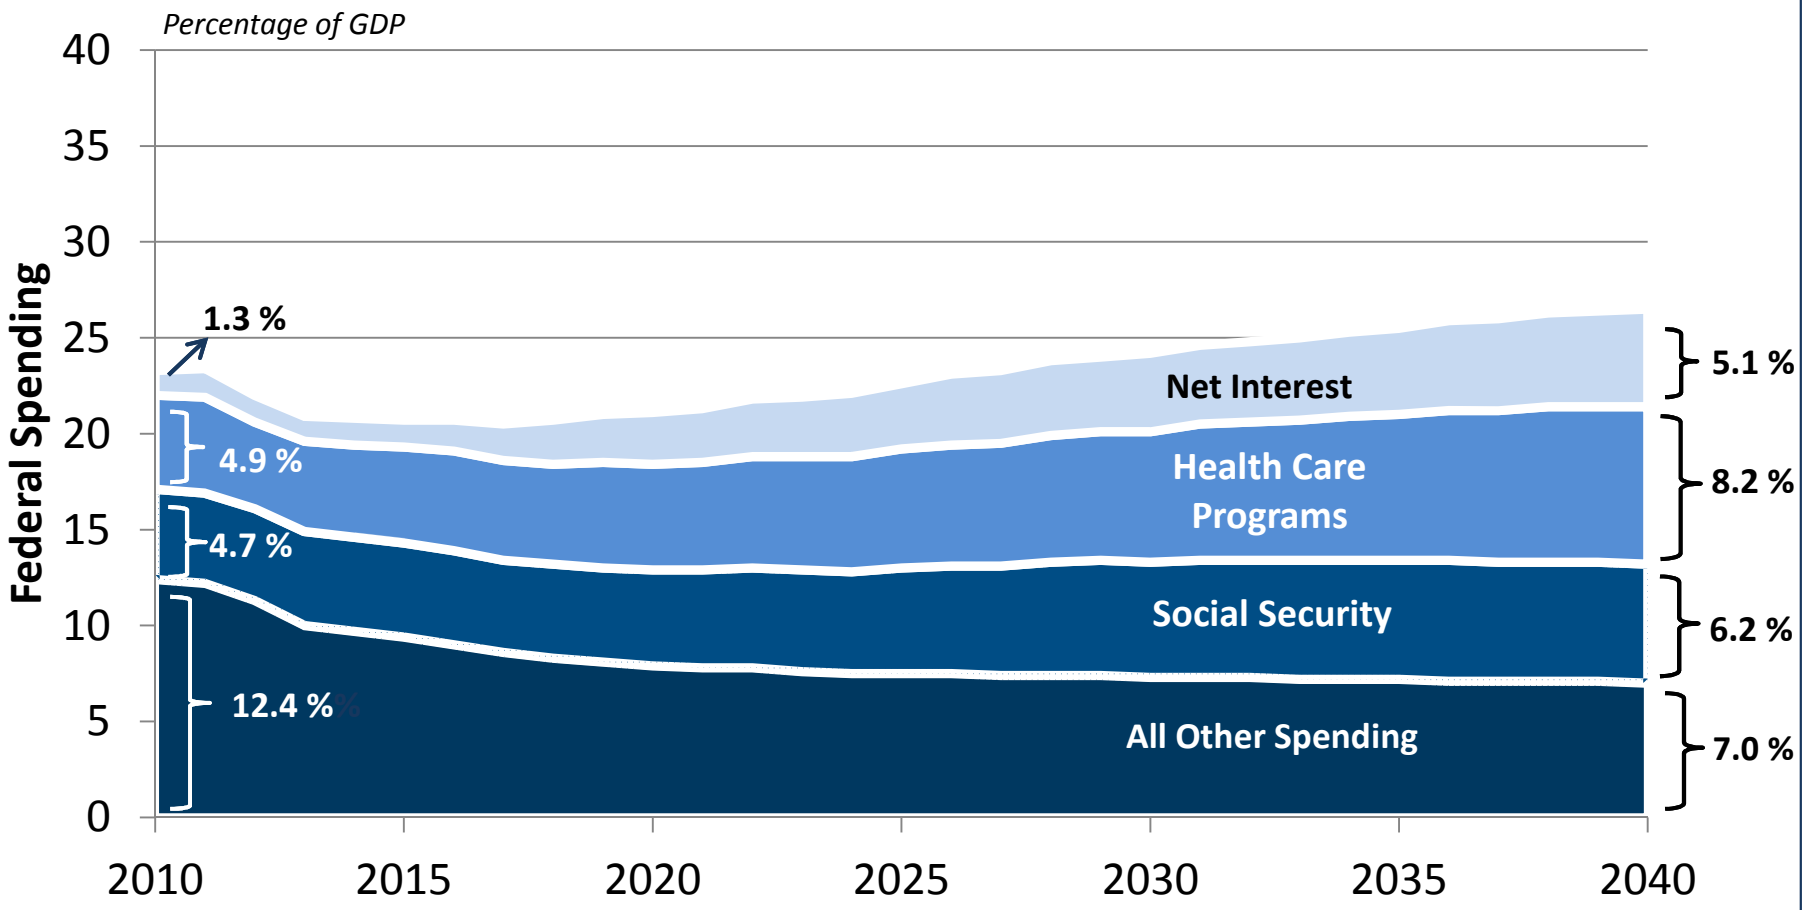
Peter G. Peterson Foundation
Our America. Our Future.

All of the projected future growth in the federal budget will come from entitlements and interest costs



SOURCE: Congressional Budget Office, *The 2013 Long-Term Budget Outlook*, September 2013. Compiled by PGPF.
NOTE: Health care programs include Medicare, Medicaid, Children's Health Insurance Programs (CHIP), and the health care exchange subsidies. Outlays for Medicare are net of offsetting receipts, such as premium payments by Medicare beneficiaries.
