

# SWING STATE VOTERS WANT HARRIS AND TRUMP TO PRESENT PLANS TO SHORE UP SOCIAL SECURITY

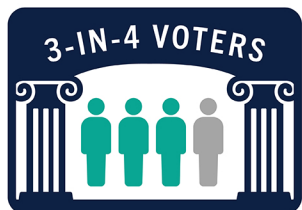

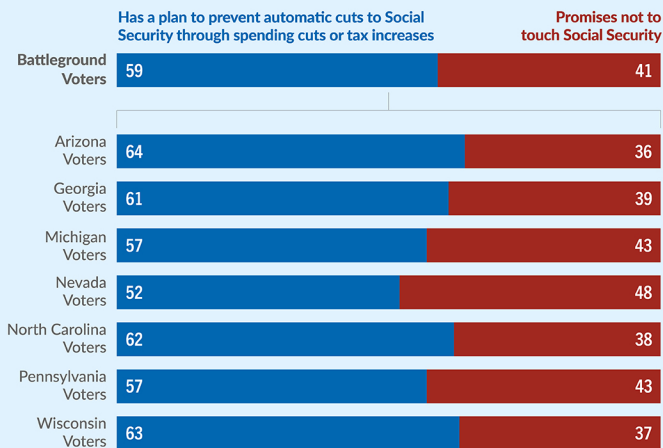

If lawmakers do nothing, Social Security benefits will automatically be cut by 21% in 2033.

**96%** of swing state voters say it's important for candidates to have a plan to prevent automatic cuts.

Swing states shown: Arizona, Georgia, Michigan, Nevada, North Carolina, Pennsylvania, Wisconsin.

And the majority prefer a candidate who . . .

say presidential candidates should be talking about **Social Security** more. That outpaces immigration, abortion, climate, and foreign policy.
